

The **Mathematical Institute** at the **University of Bonn** invites applications for a tenured position

**Full Professorship (W3) in Pure Mathematics
(succession of Werner Ballmann)**

Applicants are expected to pursue an internationally recognized research program in an area of pure mathematics that complements and strengthens the existing research groups. They are expected to represent their area in research and teaching. Dissemination of their research should include publications in high ranking international journals.

The successful candidate will be member of the Hausdorff Center for Mathematics and expected to actively participate in the acquisition of further third party research funding.

The general conditions of employment are according to §36 of the Higher Education Act of North Rhine-Westphalia (Hochschulgesetz des Landes Nordrhein-Westfalen).

The University of Bonn is an equal opportunities employer, and all provisions on equal opportunity apply. Applications of women are strongly encouraged. Preference will be given to suitably qualified persons with disabilities, all other considerations being equal.

Applications including letter of interest, CV, publication list and a summary of teaching activities and research projects should be submitted **no later than 31 March 2017**.

The committee may also accept, at its discretion, applications beyond this date.

Application documents may be in German or English, knowledge of German language is not required. They should be sent to the Chairman of the Department of Mathematics:

Prof. Dr. Christoph Thiele
Mathematik Zentrum
University Bonn
Endenicher Allee 60
D-53115 Bonn
