

The **Mathematical Institute** at the **University of Bonn** invites applications for a tenured position

**Full Professorship (W3) in Pure Mathematics
'Geometry and Analysis'**

(succession of Werner Müller) available from October 1, 2015.

Applicants are expected to pursue an internationally recognized research program. Possible areas of specializations include but are not limited to curvature flows, automorphic forms, microlocal analysis on (singular) manifolds, dynamical systems. The successful candidate will be member of the Hausdorff Center for Mathematics.

Knowledge of German language is not required.

The general conditions of employment are according to §36 of the Higher Education Act of North Rhine-Westphalia (Hochschulgesetz des Landes Nordrhein-Westfalen).

The University of Bonn is an equal opportunities employer, and all provisions on equal opportunity apply. Applications of women are strongly encouraged. Preference will be given to suitably qualified persons with disabilities, all other considerations being equal.

Applications including letter of interest, CV, publication list and a summary of teaching activities and research projects should be submitted **no later than 30 November 2014**. The committee may also accept, at its discretion, applications beyond this date.

Applications should be sent to the Chairman of the Department of Mathematics:

Prof. Dr. Stefan Müller
Mathematik Zentrum
Universität Bonn
Endenicher Allee 60
D-53115 Bonn
Germany
